Peri-operative complications in anaesthesia – prevention and cure

Tuesday 5 May 2020
Location: 21 Portland Place, London
Organisers: Dr Jane Sturgess, Bury St Edmunds and Dr Kamen Valchanov, Cambridge

09:30 Registration / tea and coffee
09:50 Introduction
Dr Jane Sturgess, Bury St Edmunds
10:00 Nerve injury and anaesthesia 2A08
Dr David Hewson, Nottingham
10:50 Allergy and anaphylaxis in anaesthetic practice 2A08
Dr Sophie Farooque, Imperial College London
11:40 The Influence of Human Factors on peri-operative complications 1I01, 1I03, 1I05
Dr Christi Burt, Cambridge
12:30 Lunch
13:30 Post-operative cognitive deficit 1B02, 1C02, 2A01
Dr Ram Adapa, Cambridge
14:20 Tea and coffee
14:30 Post dural puncture headache 1B02, 1C02, 2A01
Dr Konda Kondov, Leicester
15:20 Obesity related anaesthetic complications 2A08
Dr Chris Bouch, Leicester
16:30 Close of meeting
Dr Jane Sturgess, Bury St Edmunds

Learning objectives
1. To learn about the variety of peri-operative complications encountered in anaesthetic practice from a clinical and non-clinical viewpoint.
2. A practical approach to the problems that arise from peri-operative complications in anaesthesia in the light of latest evidence.
3. The incidence, management and prevention of both serious complications (i.e can’t intubate, anaphylaxis) and frequently occurring complications (cardiovascular, airway).
4. To develop a personal strategy to mitigate against complications related to frailty.
5. The legal framework applied to being an expert witness, or being asked to write reports for police and courts.

This seminar covers the following domains:
Domain 1: Knowledge Skills and performance. Domain 2: Safety and quality
Domain 3: Communication, partnership and teamwork.
Domain 4: Maintaining Trust
